*TALW Type 30 bayonet with a second class weapon mark on blade.*

**Marks:**

No inspector's mark

**Series / Serial Number:**

(112th) ろた 73145

**Features:**

- Over all 20" (508mm)
- Blued unfullered blade 15 <sup>5</sup>/<sub>8</sub>" (397mm)
- Muzzle ring 9/16" (14mm)
- Two rivets in straight wood grips
- Rectangular pommel 3 <sup>5</sup>/<sub>16</sub>" (84mm)
- Rectangular slab crossguard
- Bamboo scabbard 17 <sup>1</sup>/<sub>8</sub>" (435mm)
- Rubberized frog

**Rarity:** Rare 8

**Comments:**

This TALW Type 30 bayonet is the same as the previous bayonet, but it is an early rejected bayonet, having a poor finish, and a bulge just past the ricasso. The left side of the blade has the second class weapon mark stamped several times. Any bayonet marked this way is rare.

*TALW type 30 bayonet with second class weapon mark. (LaBar collection)*
